The Forensic Science and Chemistry Club is a student organization geared toward students interested in academics or occupations in fields related to chemistry and/or forensic science. The club hosts events and activities throughout the year, broadening the learning experience and bringing fun into our members' studies. Many prominent speakers in the field and hands-on activities are hosted for members to partake in. Besides participating in numerous events, the club offers an opportunity to build relationships with fellow students as well as a strong foundation in developing organizational and social skills essential for the workplace. The club is proudly affiliated with the national organizations of the American Chemical Society and the American Academy of Forensic Sciences.

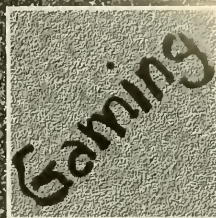

Forensic Science & Chemistry Club

First Alert

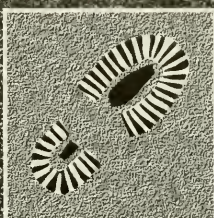

First Alert was established during the spring semester of 2003. Our goals include promoting camaraderie among students with an interest in Emergency Medical Service (EMS), and promoting EMS awareness and education. Currently, we have over two dozen active members, including many who hold some type of medical certification. We also promote community service activities, such as blood pressure screenings. We are also looking to hold CPR classes on campus. Furthermore, we are looking into responding to the Emergency Medical needs for both students and faculty on campus. We are always welcoming new members to join at any time.

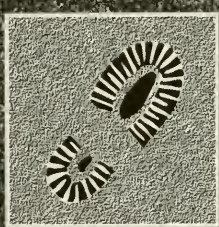

Gaming Club

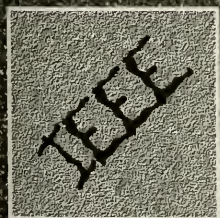

The Gaming Club welcomes all to gather and play various types of games, including board, video (console and computer), card, tile, and table games. People are encouraged to try new games and bring out old ones. Club members have a broad range of interests: from Monopoly, UNO, and Dominoes to Halo, StarCraft, and Air Hockey. The club serves as an aid for people to find each other when looking to play games. Our activities include game nights and tournaments, as well as visiting community residents to share the pleasure of gaming.

The Institute of Electrical and Electronics Engineers club organizes events which are of a professional interest to engineering students. All of our events focus on the Electrical/Computer Engineering discipline. Such events include workshops, guest speakers, seminars, and field trips.

**UNIVERSITY OF NEW HAVEN
2004 CHARIOT YEARBOOK
VOLUME 41**

IN MEMORY OF DR. JOHN D. HATFIELD

On Monday, July 2, 2001, I welcomed our new Executive Vice President & Provost, Dr. John D. Hatfield, to the office suite we would share. My first impression of John was that of a very caring, thoughtful, bright, friendly person. He immediately wanted to familiarize himself with the campus, its faculty, staff, and mainly the students and their families.

Students can feel intimidated when in the presence of a person of John's position, but he quickly made them feel at ease, and an easy conversation would follow. He literally meant that his office door was always open to all. As eager as all were to meet him, so was John eager to meet them. On various occasions, he called upon the students working in our office for their input in areas related to students' interests. John had a fantastic sense of humor and shared many of his personal experiences as a student with UNH students when they were introduced to him.

John showed real concern for everyone he came in contact with. Many people from outside the University with whom he dealt would comment to me about how impressed they were by the extraordinary gentleman John was. He left many fond memories by his charisma and his invaluable contributions toward achieving and fulfilling strategic goals in such a short time.

The entire UNH Community, his family and friends lost a wonderful man, but he left us a lasting legacy, that of an excellent communicator

Silvia I Hyde

Executive Assistant to the Executive Vice President and Provost

Advisor to the Chariot Yearbook Staff

A WORD FROM OUR PRESIDENTS

Brendan Murphy **USGA President**

To the Graduating Seniors of the Class of 2004:

Amazing. I don't believe that these past four years could have been better. I have learned so much from all of my experiences here at UNH. The one thing I have learned that is most important to me is, "Never give up." You are able to do anything you want. With some work, and usually some help, anything and everything is possible.

Remember the good times, the dreadful classes, and everyone you met these past years. Everyone says that college is the best four years of your life. After all of my experiences, there is no doubt in my mind that this is true, however, who's to say that life can't get even better. I am walking away from the University of New Haven with fond memories of good friends and good times. At the same time, I am looking forward to a lifetime full of even better times with some new friends and a lot of the friends I have made here. I hope you all do the same. Good luck and Best Wishes.

To the Returning Student Body:

I hope that you enjoyed this past year. I know I did. As your USGA President, I tried my best to make this the best year you have had. I may have failed, but I hope I succeeded. My challenge to you is to make this university better each and every year you are here.

I wish I could express how grateful I am for having the opportunity to be your USGA President this past year. I have learned, taught and done so much. Please do the same for yourself. Use everything here at UNH to its fullest. Leave this wonderful university with so many wonderful memories that you can't remember them all.

"You're My Boy Blue, You're My Boy"

Lawrence J. DeNardis **President**

To the Class of 2004:

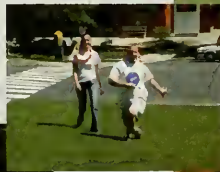

I want to express my sincere congratulations to you on the successful completion of the requirements for an academic degree at the University of New Haven. The educational foundation you have received from our knowledgeable and dedicated faculty and your own diligent efforts will serve you well as you move on to pursue your careers and personal lives.

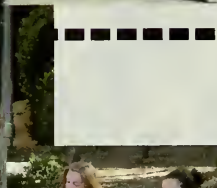

It has been our goal to prepare you for meaningful roles and lifelong learning in a global society. A society which now faces greater promise and yet more daunting challenges than ever before.

We have given you our best efforts and now we extend our best wishes to you. We know you will continue to strive and achieve laudable professional and personal goals for the benefit of those near and far, and, in so doing, will reflect positively on the University of New Haven.

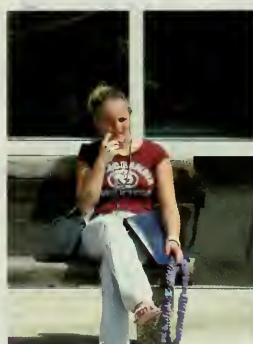

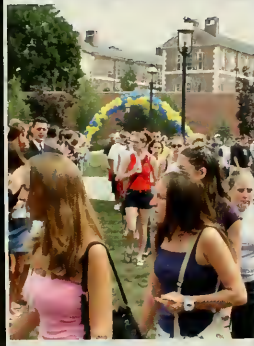

Good luck and Godspeed.

Delta Chi is a national fraternity dedicated to a Brotherhood designed to promote friendship, develop character, advance justice, and assist in the acquisition of a sound education. Delta Chi was founded at Cornell University on October 13,

1899 as a law fraternity. It became a general social fraternity in 1916. In 1920, Delta Chi became the first fraternity to abolish hazing at the Eastern Park National Convention. As the only national fraternity on campus, the New Haven Chapter was founded on October 17, 1961. Delta Chi prides itself on helping

those on and off campus that are less fortunate than ourselves by hosting numerous events. Our chapter hosts two blood drives, raises thousands of dollars a year, organizes food and clothing drives, and teaches underprivileged children.

Founded in 1963, by nine freshmen women, Chi Kappa Kho Sorority celebrated 40 years at the University of New Haven this past September. XKP is a secret sorority that thrives on community service. Most recently we became #1 Greek in the 2012-2013 academic year.

Our Annual Fashion Show, which started in 1965, benefits the Virginia M. Parker Scholarship. In addition to helping the community, we lend a hand to the University for numerous events, including the Alumni Fall. XKP also holds an annual Pie Throw Contest in which

all proceeds benefit the charity of choice for that semester. We hold a Swap-art Fall around Valentine's Day each year.

XKP takes part in social events with other Greeks and the University community.

The birth of Delta Sigma Alpha can be traced back to the fall of 1966. It was then that the 14 founding brothers banded together to define the principles and morals that every brother since has stood. It is these three principles: Justice, Wisdom, and Brotherhood, which can best define the ambitions of all Delta Sigma Alpha brothers to this day. Delta Sigma Alpha is actively involved in advancing the well being of the greater New Haven community, participating in several benefits and fundraisers year after year. Community service is a strong and perennial goal of the brotherhood and we are recognized every year by several organizations for our hard work and sacrifice.

The Delta Epsilon Beta Sorority was founded at the University of New Haven in the Fall of 1963 by ten girls. Originally started at Bloomsbury State College, in 1966, the sorority's ideals were brought to New Haven. The sorority is primarily involved with issues concerning

women and children. DEB participates in events such as the annual "Sleep Out For the Homeless." This fundraiser is an opportunity to raise over 15,000 dollars for a New Haven shelter called Life Haven. The sisters of Delta Epsilon Beta Sorority help surrounding communities with events such as The Domestic Violence Walk and the annual Diabetic Walk in

North Haven. DEB devotes itself every semester to donating items for the Patterned Women's Shelter and helping out in local shelters in the surrounding New Haven area.

The Fraternity of Kappa Gamma Rho was founded on April 16, 1997. We are a largely community service based

fraternity with social ideals. We have in the past been the top ranked Greek Organization in the Undergraduate Student Government Association. We are a fraternity that believes that brothers come first and then everyone else. We believe that helping the community around us can only improve the way that all Fraternities and Societies are looked at on this campus.

USGA

Undergraduate Student Government Association

President: Brendan Murphy, **Vice President:** Jessica Binns, **Treasurer:** Albert Barrueco, **Executive Assistant:** Victoria Aquino, **Sergeant at Arms:** Jason Klein

The Undergraduate Student Government Association (USGA) is the organization responsible for representing the undergraduate student body at UNH. The USGA is an integral organization with varied functions and activities.

The student activity fee paid by each undergraduate student is used to provide a number of social events, including concerts, comedy nights, lectures, films, cultural events, and other activities throughout the year which are open to the entire student body.

The USGA is also home to a large number of clubs and organizations of a social, cultural, and academic nature. The USGA is responsible for overseeing all student media, including: the Charger Bulletin, the weekly newspaper; WNHU, the campus radio station; SCOPE, the event planning committee; and The Chariot, the annual yearbook. Standing committees of the USGA provide students further opportunities for involvement and a forum to voice their concerns and opinions.

The USGA meets weekly, and all students are encouraged to become involved in its legislative governing processes.

On behalf of the Class of 2005 thanks to everyone who helped make this an AMAZ-ING year. Best of Luck to the Class of 2004. God speed.

Class of 2005

To the Class of 2004:

Congratulations! You did it, and it's finally Graduation time! The past four years went by fast and now we are at the finish line. It's sad to realize that the best four years of your life are over, but everything you experienced will stay with you for the rest of your life. Enjoy it, relive it, and don't forget the good ol' UNH.

Good Luck!

This year has been great. The Halloween Dance turned out to be a huge success! We have made a lot of progress since last year. Good luck to all of the graduating seniors!

We would like to take this opportunity to thank you all for electing us as your class officers. We are looking forward to working for you over the next four years. We know you have ideas and suggestions and we are all willing to listen to them. Let's make our four years at ENH the best they can possibly be!

Class of 2007

2007

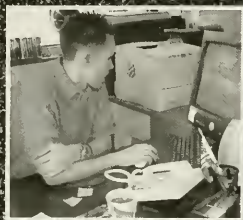

Charger Bulletin

Editor-in-Chief:
Marcus Hanscom

Assistant Editor:
Sarah Levine

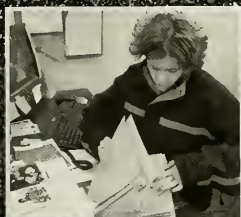

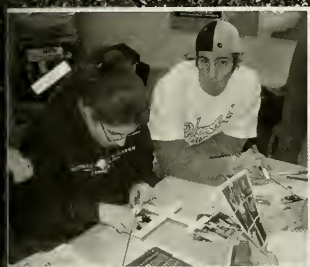

Staff: Jacquelyn Arsénuk, Al Barruëco, Arlie DeMeo, Amanda Dunnell, Melissa Grimm, Kristin Kaufmann, Tyger Ann Kavanah, Brian Legg, Sharon Morton, Brendan Murphy, Sarah Nestlen, Corrin Onizuk, Jennifer Sangeloty, John Stuart, Tiffany Toom, Kimberly Velez

The Charger Bulletin is the student newspaper of the University of New Haven. After months of hard work over the summer, the new layout was finally unveiled and a whole new avenue of news content was made available for the campus community. The key word for The Charger Bulletin for this year and years to come is professional. Our efforts this year were devoted entirely to publishing a quality, professional publication that reported national and campus news, as well as related sports, entertainment, and lifestyle articles. Our goal for this year was to see The Charger Bulletin not as a campus newspaper, but as a newspaper. While our counterparts at other colleges and universities may be viewed as merely student-run, campus publications, we worked to be recognized as a real newspaper. As the University of New Haven gradually grows both physically and academically as we tread on into the 21st century, The Charger Bulletin will reflect the University's growth and maturity as we show professionalism to the national audience in all aspects. With the growth of our staff and the new availability of professional news stories from media content providers, we were able to achieve our goal to provide the campus community with a quality, professional publication that reflects not only the hard work that is put into it each week, but also on the quality of this fine University. We would like to extend our sincere thanks to those who have supported us throughout the year, and we look forward to serving you again. To the seniors: Best of luck in all that you do!

The Chariot Yearbook is a group of extremely dedicated people that have the responsibility of recording the various events, functions and happenings that occur here on the University of New Haven campus. This responsibility is demanding at times, yet each and every one of us has a great time putting together this spine with pages and pages of memories for others to enjoy for years to come. As many of you have most likely noticed, we chose to have a construction theme throughout the book, mirroring what the students have been seeing on campus all year. We hope that you enjoy the change up of styles throughout the sections and appreciate the "spunk" that we incorporated into The Chariot. We worked very hard to ensure that this yearbook was different from any other; we even added an additional 16 pages! Be sure to check out the interactive CD to experience everything that happened "live" and additional footage from the spring semester!

S.C.O.P.E.

Co-Chairs: Nick Masciotti & Sarah Nestlen

S.C.O.P.E. is the Student Committee On Programming and Events. We are the guys who bring in many of those activities that entertain all of you throughout the year. SCOPE does all kinds of fun: top-rated movies every weekend, comedians every month, fantastic trips, game shows, and music events. And let us not forget everybody's favorite - monthly open-mic night - the Bean House. SCOPE members worked very hard this year to bring only the finest quality of entertainment to UNH, and their hard work is easily seen at every event. Some highlights of the 2003-2004 SCOPE year are the Inflatable Fun Fest, the Haunted House, Rock-N-Roll Week, and Spring Weekend concert.

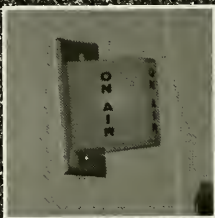

WNHU

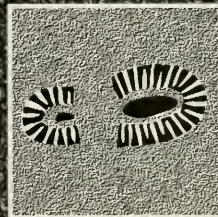

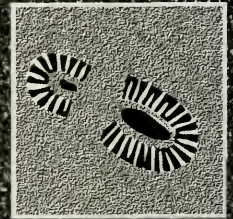

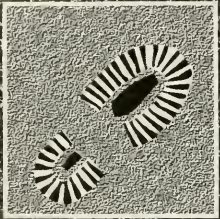

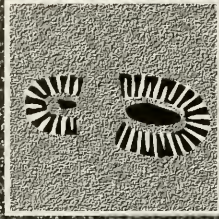

Station Manager: Kyle Stuart

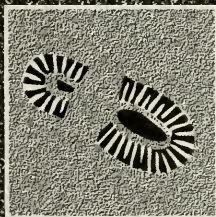

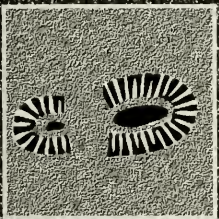

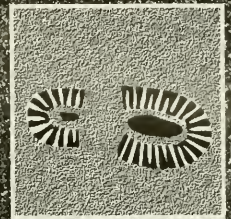

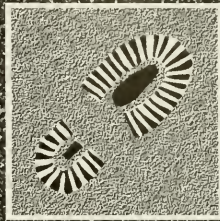

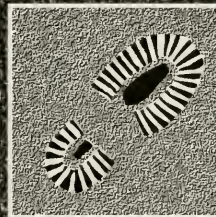

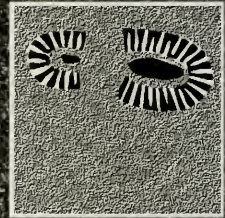

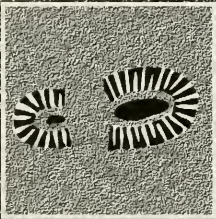

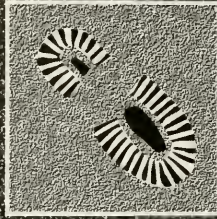

Program Director: Matthew Field

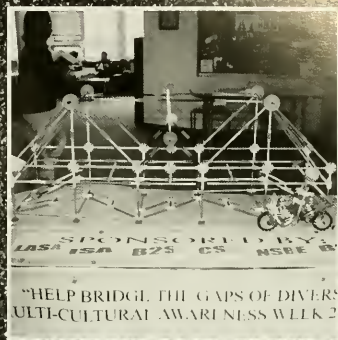

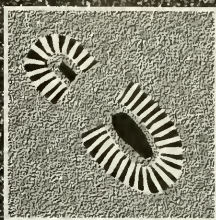

WNHU-FM is a non-commercial, educational (NCE) radio station licensed by the Federal Communications Commission (FCC) to the University of New Haven (UNH). The station began intermittent 100 watt mono broadcasts on a frequency of 88.7 MHz on July 4, 1973, and has now evolved to its present 1700 watt, 20-hour-per-day, year round, digital stereo status. The station's line-of-sight FM signal goes out approximately 30 miles in all directions and reaches a potential audience of around 1.2 million people. Keeping with the legal mandates and long-standing traditions of NCE radio, WNHU's programming consists of music and information not commercially available within the station's licensed broadcast area. The station is an integral part of UNH's Communication department. WNHU's General Manager is a departmental faculty member and is responsible for all long-range planning for the station. With the exception of an FCC-mandated part-time Chief Engineer, the GM is WNHU's only paid employee. All other regular station managers and directors are UNH undergraduate students some receiving tuition reimbursement for their work. WNHU's transmitter and antenna are located in and on Bartels Hall, which is located on the main West Haven campus. WNHU's offices and studios are located in the basement of Maxey Hall, the university's main administration building, also on the West Haven campus. Station funding comes from several sources; the University of New Haven, UNH's Undergraduate Student Government Association, public listeners' donations, and, to a lesser extent, tower space and subcarrier-frequency rentals, show underwriting, private grants, and other sources.

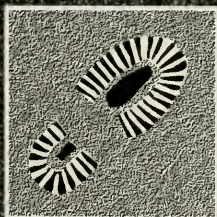

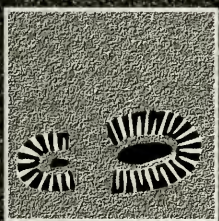

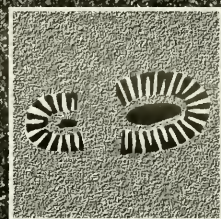

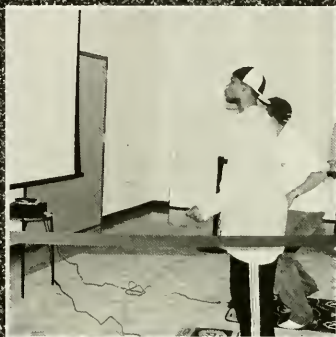

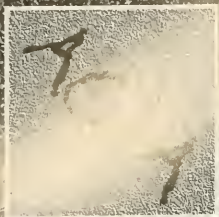

"HELP BRIDGE, THE GAPS OF DIVERSITY"
MULTI-CULTURAL AWARENESS WEEK 2

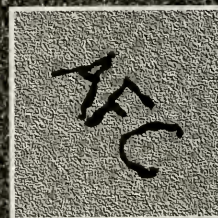

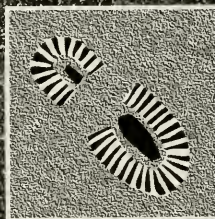

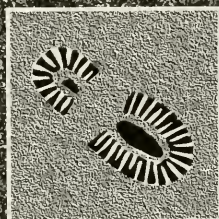

It is our first year in action and we are delighted to finally have such an active part on campus and in our community. AFC is a branch of Campus Crusaders for Christ on a mission to spread God's word to the world. We are dedicated to building up disciples for Christ, while providing a comfortable atmosphere for every student to discuss and understand what it truly means to be a Christian. AFC provides various events such as Friday Fellowships and BJ Sunday Cafeteria Dinners so that the love of Christ can be shared with our UNH family. We also take an active role in the community by serving the elderly, homeless, and the young children in the New Haven area. One of the biggest events we plan to have each year is our end of the year Revival. Praise the Lord and God Bless!

Ambassadors for Christ

American Criminal Justice Association

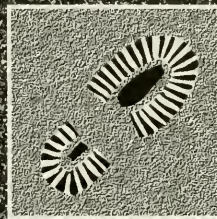

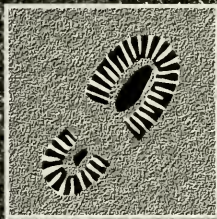

The UNH chapter, Psi Omega, of the American Criminal Justice Association (ACJA)/Lambda Alpha Epsilon (LAE), is a professional and pre-professional organization with the goal of preparing students for life in the criminal justice field. We focus heavily on giving students the opportunity of meeting those in the school with similar interests, as well as bringing in lecturers and demonstrations from various Criminal Justice Agencies. This past year we participated in a regional conference and won over twenty awards!

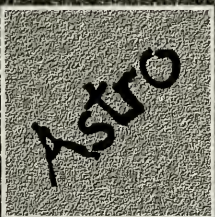

Alpha Lambda Delta National Honor Society

Alpha Lambda Delta is a Freshman Honor Society that encourages high scholastic achievement, community service, and university involvement. Eligibility is dependent upon involvement in the local chapter and a 3.5 cumulative grade point average. The National Chapter was founded at the University of Illinois in 1924 and was established on this campus in 1984. Currently, there are approximately forty-six UNH Honor Society members, twenty-eight of which are new inductees. Every year the members of ALD honor the faculty and adjunct professors with a Student/Faculty Reception. Other activities held during the academic year include collecting Toys for Tots, holding food drives for WHEAT, participating in awareness weeks, encouraging success on finals, and a variety of other unique activities and community service events.

The goal of the Astronomy Club is to learn new and interesting facts about our universe all while having a good time. We had information tables in the student center about our own galaxy as well as a memorial table for the space shuttle Columbia that tragically crashed last year. Previously, the club has sponsored trips to the IMAX Theater, as well as a trip to the beach for the meteor shower last November. On campus events include full moon viewings and nights to learn the constellations. In the future, we plan on going to the Hayden Planetarium in New York City as well as the Stratford Observatory.

Astronomy Club

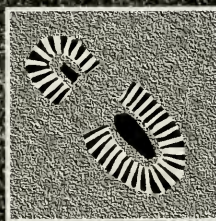

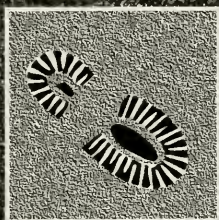

The Brother-to-Sister Club was founded on the idea that students should have a platform from which they could air their views and concerns. With this in mind, we encourage club members to present weekly discussion topics. We organize and run activities which are of interest both to the resident population and the commuter population. Most importantly, we hold paramount the need to instill a sense of community within our members. We promote participation in all areas of UNH, enabling members to interact better with the outside world, regardless of socioeconomic or ethnic backgrounds. We also offer an annual Brother-to-Sister Scholarship award to a worthy recipient who has exemplified the meaning of true community spirit while balancing other areas of college life.

Brother to Sister

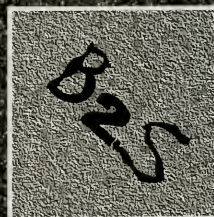

Admissions Team

The Admissions Team is responsible for giving honest fact-based answers to prospective students and their families regarding the university. This volunteer group gives daily tours as well as special group tours during Open House days. Each tour guide hopes to pass on crucial information during their tours that will make a lasting impression and have a profound impact on the students' decision to enroll here at the university.

Black Student Union

The Black Student Union is an organization founded at the University of New Haven in 1978. The BSU welcomes all of the various ethnic groups and races at the university. The organization is centered on the principles of both recreational and educational events for the university community. The BSU also volunteers in the surrounding New Haven/West Haven community. Members also participate in empowering workshops, discussion groups, and a plethora of leadership opportunities in preparation for life after graduation.

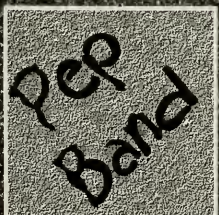

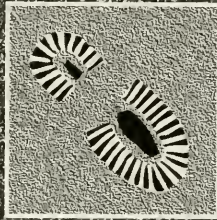

The Charger Pep Band is in its 7th year at the

University. Our organization prides itself in showing team spirit at Charger sporting events that range from football to basketball games. Although small in numbers, the Pep Band shows musical support for the university in big ways. We host a trip to one away game each year which any student can attend. Recent destinations have included North Carolina, Philadelphia, and Minnesota. We hope to see more musicians get involved, and also look forward to continuing our support for the UNH sports teams.

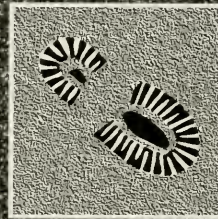

Charger Pep Band

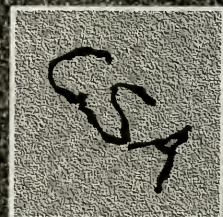

Communications Club

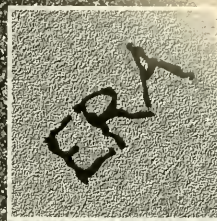

The Communications Club consists of students of ALL majors who have a strong interest in mass media production. The members produce and direct weekly programs and cover major campus events. Some of our productions include CHARGER NEWS 14, the TALENT SHOWCASE, and many different variety shows. Members gain hands-on experience with cameras, control room equipment, audio equipment, and editing software. All programs air weekly on CHARGER CHANNEL 14.

The Caribbean Student Association (CSA) is geared at implementing the need to celebrate our Caribbean culture and heritage at the University of New Haven. Our goal is to educate our fellow colleagues about the importance of the Caribbean. Also, we strive to unify the plethora of cultures on campus while promoting school spirit and self pride.

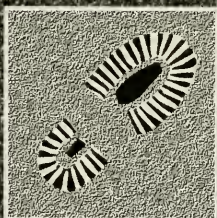

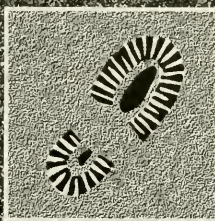

Caribbean Student Association

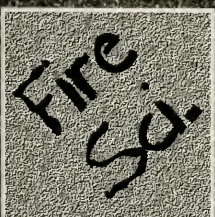

Equal Rights Alliance

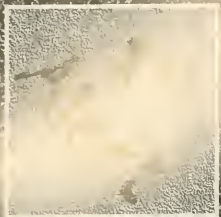

The Equal Rights Alliance is formerly known as GLBSA. Our mission is to diversify the UNH campus and community. We strive to increase the acceptance of alternate lifestyles, races, human rights, and so forth. Our goal is to increase overall awareness and educate this campus on being respectful of the differences between one another.

The Fire Science Club does community service, goes on tours, and sponsors many guest speakers throughout the year. Furthermore, members participate in numerous events during fire prevention, arson, and alcohol awareness weeks. In previous years, members have helped out at the New Haven soup kitchen and visited the New York City Fire Department. The club is predominately for fire science students, but everyone is encouraged to join.

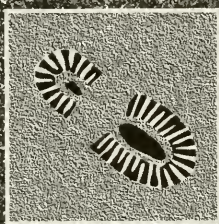

Fire Science Club

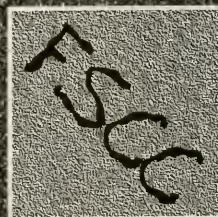

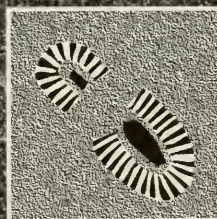

The Forensic Science and Chemistry Club is a student organization geared toward students interested in academics or occupations in fields related to chemistry and/or forensic science. The club hosts events and activities throughout the year, broadening the learning experience and bringing fun into our members' studies. Many prominent speakers in the field and hands-on activities are hosted for members to partake in. Besides participating in numerous events, the club offers an opportunity to build relationships with fellow students as well as a strong foundation in developing organizational and social skills essential for the workplace. The club is proudly affiliated with the national organizations of the American Chemical Society and the American Academy of Forensic Sciences.

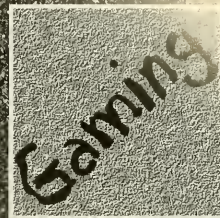

Forensic Science & Chemistry Club

First Alert

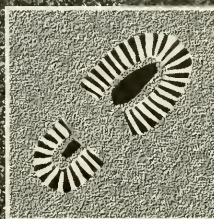

First Alert was established during the spring semester of 2003. Our goals include promoting camaraderie among students with an interest in Emergency Medical Service (EMS), and promoting EMS awareness and education. Currently, we have over two dozen active members, including many who hold some type of medical certification. We also promote community service activities, such as blood pressure screenings. We are also looking to hold CPR classes on campus. Furthermore, we are looking into responding to the Emergency Medical needs for both students and faculty on campus. We are always welcoming new members to join at any time.

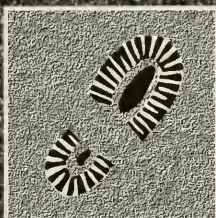

Gaming Club

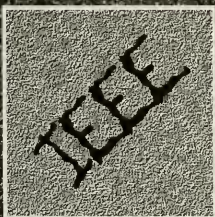

The Gaming Club welcomes all to gather and play various types of games, including board, video (console and computer), card, tile, and table games. People are encouraged to try new games and bring out old ones. Club members have a broad range of interests: from Monopoly, UNO, and Dominoes to Halo, StarCraft, and Air Hockey. The club serves as an aid for people to find each other when looking to play games. Our activities include game nights and tournaments, as well as visiting community residents to share the pleasure of gaming.

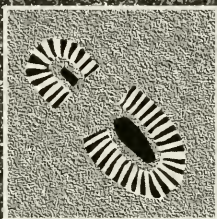

The Institute of Electrical and Electronics Engineers club organizes events which are of a professional interest to engineering students. All of our events focus on the Electrical/Computer Engineering discipline. Such events include workshops, guest speakers, seminars, and field trips.

Institute of Electrical & Electronics Engineers

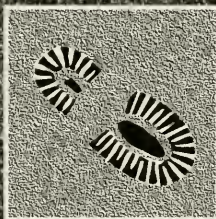

Irish & Italian Society

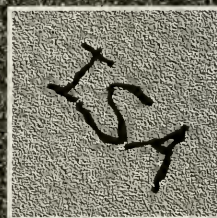

The Irish & Italian Society has had its first successful year on campus. The club was created to promote the Irish & Italian heritage throughout UNH and the Greater New Haven Area. The club is open to all students and gets students involved both on and off campus. We are overwhelmed with the amount of students dedicated to making this club a success and we greatly appreciate the enthusiasm, time, and effort they have produced this past year. The club accredits its success to our advisor, Martin O'Connor, who pushes us to give back to the local community. We wish all the seniors the best of luck and hope that the club will

continue to strive for excellence in years to come.

The International Student Association is a club that brings International students and American students together through fun-filled events. Such events include holiday parties and our Annual International Festival. Our purpose is to enlighten everyone about the different cultures that comprise our world. The club is currently composed of both undergraduate and graduate students from over fifty countries.

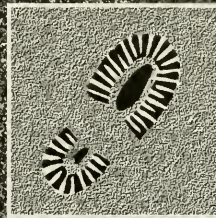

International Student Association

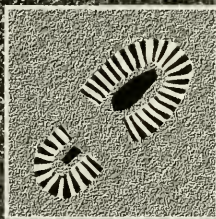

Latin American Student Association

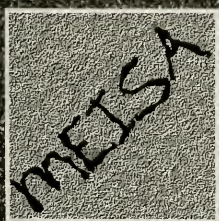

The Latin American Student Association began in 1991 here at the University of New Haven. We are a group of students that work hard to promote leadership, education, and cultural activities for all students at the university. We are the strongest than we have ever been in the past. The uniqueness of LASA is the bond among its members of different Hispanic backgrounds, which allows us to bring forth our heritage through various arts and cultural activities.

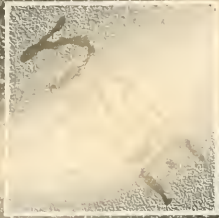

The members of Music and Entertainment Industry Student Association (MEISA) spend their time dealing with music on campus. We run events such as Beanhouse, various concerts, and music movies. We spend the rest of our time making compilation albums and debut releases in our campus studios. We mind everything from contracts and artwork to mastering of albums.

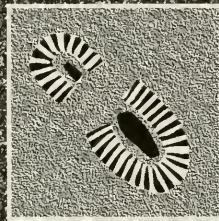

Music & Entertainment Industry Student Association

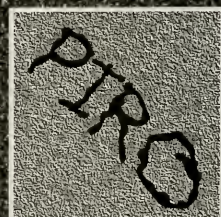

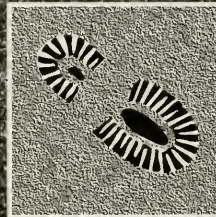

After three years at UNH, the Paranormal Investigation and Research Organization is at the brink of breaking into the professional field. It has new members, new structure and brand new equipment. This year members journeyed to State College, PA for the 2nd annual paranormal conference with the Paranormal Research Society. Training classes taught new members investigation techniques, legal boundaries and use of equipment. In addition to Maxcy Hall and the Gatehouse, a number of other buildings on campus are rumored to be haunted, and PIRO is starting to make plans to investigate these sites as well. PIRO is out to change the world, one ghost at a time. After all, ghosts were people too.

Paranormal Investigation & Research Organization

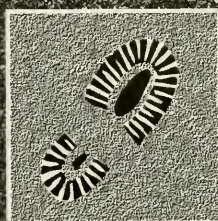

National Society of Black Engineers

The National Society of Black Engineers (NSBE) is a national non-profit student run organization composed of six regional organizations. We focus primarily on encouraging minorities to better their education and academic skills through interactive discussions, open-forums, and skill building games. We also try to involve our members in NSBE and UNH related events and educating them on NSBE history. We offer opportunities for scholarships, internships, co-ops, and careers through networking at our regional and national conferences.

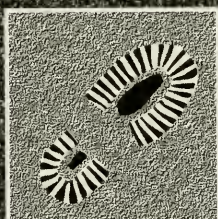

Students Making an Impact on Their Living Environment (SMILE) is the UNH community service group. We focus on community inside and outside of the university. SMILE is open to the entire campus and new members are always welcome. The group works with Habitat for

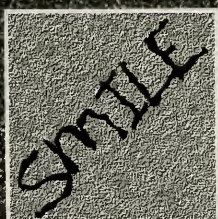

Humanity, soup kitchens, The Boys and Girls Club, and many other local charities. SMILE participates in numerous walks and works hard at fundraising for various causes. Our biggest event of the year is the Multiple Sclerosis Walk which is held in April. The club is always looking for new ideas so feel free to stop by any of our meetings or contact a member!

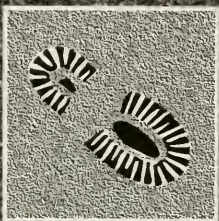

Student-Athlete Advisory Council

The Student-Athlete Advisory Council (SAAC) is a committee made up of student athletes assembled to provide insight on the student athlete experience. SAAC also offers input on the rules, regulations, and policies that affect student athletes' lives on NCAA member institution campuses. The overall goal of SAAC is to enhance the total student-athlete experience by promoting opportunity, protecting student-athlete welfare, and fostering a positive student-athlete image.

Students Making an Impact on Their Living Environment

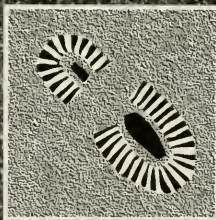

Surf/Snow/Skate Club

The Surf/Snow/Skate Club serves as a club for those who have an interest in learning, and those already involved in surfing and snowboarding. We are open to all alternative sports, but focus mainly on surfing and snowboarding. We offer surf trips to Rhode Island and New Jersey, ski trips to Canada, and all over New England, free lessons and the rider lifestyle.

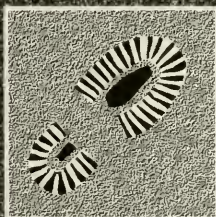

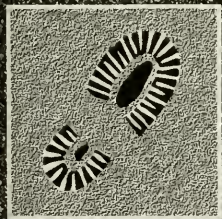

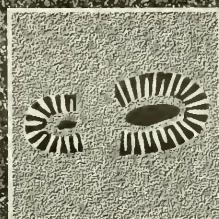

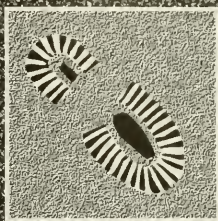

With the Lord by our side, UNH's Gospel Choir thrives to uplift the name of the Lord on campus through song. The melodious voices of praise seek to inspire and cheer those who have lost hope. Our mission is to unite our student body so that we will be able to stand together as a people and as GOD's children.

How do the players feel?

From the students it affects the most...consequences from the removal of four athletic programs

In

lieu of the recent cut of the football, men's lacrosse, women's track and field and women's golf teams, students chose to speak out about this historical event and its effect on their college careers and life-long goals. The removal of these four programs came as a shock to the entire campus, leaving students wondering if UNH is going through destruction rather than construction.

Prominent members of the teams are pictured below, commenting on the following questions:

- What are your thoughts on the athletic teams that were recently cut at UNH?
- How are you and your teammates coping with the situation?
- What are your plans now that your sport has been cut; are you planning on staying at the University or leaving to seek better opportunities?
- Based on this event, where do you see the future of the UNH athletic program heading?

Troy Dellamarggio - Football

a. I felt the way the teams were cut was not done properly. They should have let those athletes who were going to be affected by the cuts know in the fall. The university did not take into consideration how the athletes were to deal with the cuts in the spring.

b. Some of the guys are extremely upset; there was a lot of tradition built into the football team. It's sad to see a tradition just be washed away.

c. I will finish out this semester with nothing to look forward ...all of my teammates are leaving.

d. I feel that UNH athletics will take a downward slope. You cannot have a school without the spirit of cheering for the football team. Like I said, it's tradition. Now that football has been cut I have nothing to look forward to.

"The driving force that led to the decision was our difficulty in being able to achieve a regional schedule," UNH Athletic Director Deborah Chin says. "It was no longer financially feasible for us to continue to play a national schedule." Pressures on the University to become more academically and financially competitive also factored into the decision. The decision came just seven years after the Chargers advanced to the Division II National Championship game.

UNH's decision to remove the four athletic programs affects approximately 90 student-athletes, including over 70 in the football program. The decision to remove the three women's programs was made due to federal laws governing gender equity in college athletics. "In order to be in compliance with federal law, our student athlete population, males to females, must mirror the general student population of males to females," Chin states.

Ainsworth Marshall - Lacrosse

a. I feel that anytime a part of the university's community is being affected by such a drastic change in a positive aspect of the school, in this case sports teams being cut, it's a sad day in the university's history. College is not only about academics, athletics are an important part of college experience. Cutting teams not only affects the athletes but the school community as a whole.

b. I am a part of the UNH Men's lacrosse team. We were cut last spring so it has had some time to settle in. The team as a whole has decided to be a club team.

c. I did not come here for athletics; my first priority has been my academic career. I am very acquainted with the system here now and to move would not be practical for me. I sympathize with the athletes who depend on scholarships from sports to help them financially through college. Good luck to all those who seek opportunities elsewhere.

d. I am not sure what the intentions of the athletic department or the school in general toward athletics are. The school still has a very strong athletic program. The volleyball, baseball, and basketball programs are still very strong and it would be a shame to see those programs go too.

"I play other sports, and I only have one year left. Unfortunately, I'm too far into my major to leave school. With teams being cut, one can only wonder 'Will my sport be next to go?'"

Eileen Perchinski
Women's Track

Brett Keough - Football

a. I believed they saved a lot of money, but the university is losing a lot at the same time. It won't be the same; football is something that brings people together. Having football at colleges brings a spirit to the school and gives the university community something to be proud of.

b. Many of the guys are just trying to deal with the university's decision and the unprofessional way it was brought to us. Most are just looking for a new place to go.

c. I plan on leaving for Northeastern and participating in their football program, beginning in March.

d. I see the athletic department at UNH becoming very, very small. This university is filled with empty promises. UNH does not want to put money into being successful with academics or athletics. The school has nothing to offer. I just want to wash my hands clean from here and hope that all my teammates still can find schools to play at and be successful.

At this time, there are no plans to remove any more of the University's remaining fifteen athletics programs, which consist of eight men's teams and seven women's teams.

CAMPUS

CONSTRUCTION

Downtown New Haven:
Classes were held in these Yale buildings until the 1960s

New Haven College students study in the Library located in Winchester Hall at Yale

1932-37:
Director
Ellis C. Maxcy

1937-54:
Director
Lawrence L. Bethel

1920

1920

The New Haven YMCA Junior College was founded as a branch of the Northeastern University. The college offered courses in Engineering, College Preparatory Work, Salesmanship, Factory Management, and Public Speaking.

1930

1926

YMCA New Haven Junior College received a state charter as the "New Haven College", becoming an independent academic institution.

1935

April 10, received approval from the General Assembly and the State Board of Education sanctioning the college's associates degrees.

The name of the college became the "New Haven YMCA Junior College".

1922

Women admitted to the college for the first time.

1932-37

Ellis C. Maxcy served as director of the New Haven College.

1937

Lawrence L. Bethel becomes the new director of New Haven YMCA Junior College after Maxcy's resignation from the position.

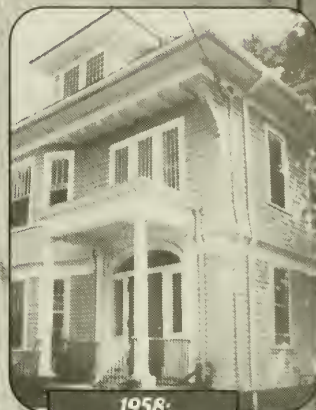

1943:

Hall & the Gatehouse

1958:

1st Independent
Campus from Yale

1940

1945

College celebrates its 25th
Anniversary.

Since 1920, 8,000 students
attending the colleges enrolled
in EDT, ESMDT, and ESMWT
war-training programs.

1950

1953

The college name was changed
from New Haven YMCA Junior
College to New Haven College:

"A subsidiary of the New Haven
YMCA operating in the Yale
University as an independent
community college."

1958

Authorization was
received to offer
Bachelor of Science
degrees in Business
and Engineering.

1954

Marvin K. Peterson was
appointed as the
school's first President
after Dr. Bethel's
resignation.

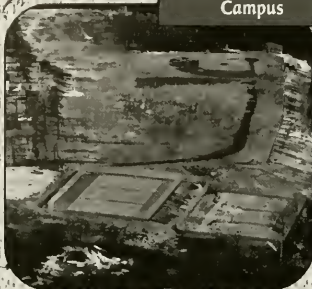

Cheerleaders pose with the school's mascot at a homecoming celebration

Analee C. Alderete

Dearest Analée,

Congratulations!

We are so proud of your accomplishments and of the wonderful woman you have become. You are an absolute joy in our lives, and we are truly blessed. We will always be there for you. With your determination you have risen to the challenges and persevered. We wish you success and happiness in all of your endeavors. May God bless you and keep you always, guiding your every path. Keep shining like the star that you are. Remember, nothing of importance is gained without effort.

All our love,

Mom, Dad, Frankie, Alejandra and Daniel.

Irina Geiman

Ириша!
Детство и отрочество прошли.
Счастливого пути во взрослую жизнь!

Любящие тебя родители и брат.

Meghan Heaphy

*We wish you a joyous life and the courage to make it
exactly what you want it to be.*

*Much love always,
Mom, Dad, Andrew and Heather*

Tracy Talmadge

You've come a long way!

We're so proud of you. You've worked so hard and accomplished so much. We're sure you'll go far.

Remember, you can be anything you want to be.

We Love You,
Mom and Dad

NICO SANTO DOMINGO

YOU ROCK!

CONGRATULATIONS!

WE ARE SO PROUD OF THE PERSON YOU HAVE BECOME.

WE WISH YOU EVERY HAPPINESS AND SUCCESS IN LIFE.

ALWAYS DO THE BEST YOU CAN AND THE BEST WILL COME TO YOU.

WE LOVE YOU,
DAD, MOM, KENNY AND KIM

Jeff Druan (Biff)

We are all so proud of
you today.

Follow your dreams and
they will come true.

Love
Dad, Mom
Paul and Lauren

Victoria Aquino

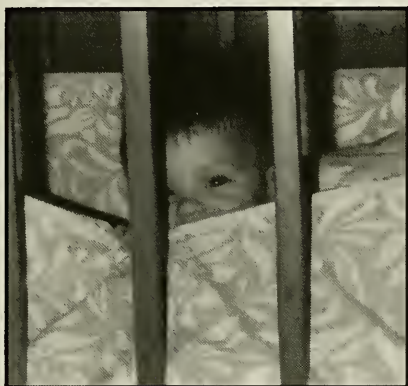

*We wish you a life of joy just as you have given us.
We are proud of the person you are, and the person that you will become in the future.*

The Best is what you deserve.

Love,

Mom, Dad, Patty, Buddy, Lela, Mocha, Booda and Macho

Latrica Hazen

You did it Trish!

You have been the shining light in my life. Erik and I are so proud of you. You have always worked hard for what you wanted out of life. Keep going the way you have been and you can have anything you want!

*All of our love,
Mom and Erik*

Nicholas Getter

Twenty-two years ago our trip to the dump was most successful. You have grown to become the caring and loving person we knew you would be. As always we are proud of you and your accomplishments. Keep yourself inspired and you will achieve your goals. We are always behind you.

You deserve the Best.

Mom, Dad and Ben

Jason Swan

Jason,

The time has passed so quickly. We've seen the wonderful young man you have become. We are very proud of you. Follow your dreams and reach for the stars! We know you will succeed in whatever you do. We will always be there for you. We love you very much.

Mom, Heather, Nana and Grandpa

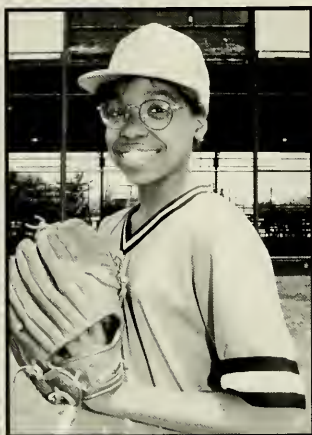

Jessica A. Binns

We are so proud of you and all your accomplishments. You have worked hard and done well. May your future be bright and as always continue to make good choices.

Dad, Mom, Sister, Brother and Max

LENORA SHIPMAN-CLARKE

YOU WILL FIND, AS YOU LOOK BACK UPON YOUR LIFE THAT YOU MADE GOOD OF EVERY INSTANT. **WE** ASK THAT YOU: **NEVER** FORGET A SINGLE MINUTE; **EXPERIENCE** AND ENJOY THE MOMENTS OF YOUR LIFE; **SLOW** DOWN AND TAKE THE TIME TO REALLY SEE. **SMILE** WHEN FACED WITH A CHALLENGE AND NEVER BACK DOWN. **BUT** MOST IMPORTANTLY, **KNOW** THAT YOUR PARENTS ARE **PROUD** OF YOU, AND WE KNOW THAT YOU WILL USE WHAT YOU'VE LEARNED TO **BETTER** YOURSELF AND TO **ACHIEVE** YOUR GOALS IN LIFE.

LOVE MOM, DAD, TAKO, AND KITTY

Jennifer Mullen

Our little princess, you finally did it. It was a long hard road and we are very proud of your accomplishment. Best of Luck. Remember we are always here for you. We love you so much.

Love,
Mom and Dad

Joe Barbieri

" May you grow to be proud, dignified and true
And do unto others as you'd have done to you.
Be courageous and be brave...."

Rod Stewart

Joe,

We're so proud of all your accomplishments
and hard work over the last four years. May you
be blessed with a wonderful life ahead.

Nick Masciotti

"The thing always happens that you
really believe in; and the belief in a
thing makes it happen."

Frank Lloyd Wright

Congratulations Seniors

from the Executive Board and the entire USQA

Many of the most successful men I have known have never grown up. They have retained bubbling-over boyishness. They have relished wit, they have indulged in humor. They have not allowed "dignity" to depress them into moroseness. Youthfulness of spirit is the twin brother of optimism, and optimism is the stuff of which American business success is fashioned. Resist growing up!

B. C. Forbes

CONGRATULATIONS

WE WISH YOU ALL THE BEST.

KEEP YOUR HEAD UP WHEREVER YOU GO AND REMEMBER ALL THE GREAT TIMES YOU HAD HERE AT UNH: YOUR FRIENDS, YOUR PROFESSORS, YOUR ADVENTURES AND FOUR YEARS OF UNFORGETTABLE MEMORIES.

YOU ARE READY TO BREAK-OUT AND STEP INTO THE WORLD.

GOOD LUCK!

Chariot Yearbook, SCOPE,
WNHU, and the Charger Bulletin

AS THE RIBBON IS CUT...

TO THE GRADUATING CLASS OF 2004 AND THE UNIVERSITY OF NEW HAVEN:

ANOTHER YEAR HAS PASSED AND WE ARE READY TO PRESENT TO YOU THE 41ST EDITION OF THE CHARIOT YEARBOOK. IT HASN'T BEEN EASY TO PUT TOGETHER A 176 PAGE BOOK AND AN INTERACTIVE CD, BUT WE DID IT. WE ACTUALLY PULLED THROUGH. WE HOPE YOU ENJOY THE BOOK AND MAYBE EVEN KEEP IT AROUND FOR A FEW YEARS. WE WOULD LIKE TO APOLOGIZE IN ADVANCE FOR ANY ERRORS CONTAINED ON THESE PAGES OR ON THE CD (FOR WHICH WE WILL NOT BE HELD ACCOUNTABLE FOR).

WE HAD AN AMAZING TIME WORKING WITH OUR STAFF, THE MEDIAS AND THE UNH COMMUNITY. WE WILL ALWAYS REMEMBER THIS CRAZY YEAR OF FUN, WORK, AND NEVER ENDING DEADLINES.

THANK YOU TO ALL THOSE WHO HELPED US THIS YEAR:

BOB SASENA: WE COULD NOT HAVE COMPLETED THIS JOURNEY WITHOUT YOU. THANK YOU FOR ALWAYS BEING AVAILABLE AND READY TO LISTEN TO OUR PROBLEMS. THANK YOU FOR FIXING OUR EVER BROKEN COMPUTERS AND THANK YOU FOR BEING PATIENT. WE REALLY, BELIEVE IT OR NOT, DO TRY TO GET DEADLINES DONE ON TIME!

CHRISTOPHER: THANK YOU FOR ALL THE HELP, ADVICE, AND COPY PROOFING. THANK YOU FOR BEING HERE WHEN WE NEEDED YOU MOST.

GREG OVEREND: THANK YOU FOR BEING AROUND AND HELPING US THROUGH THE HARD TIMES AND STRESS. THE THREE OF US LEARNED A LOT TOGETHER!

OUR STAFF: YOU ARE THE GREATEST! THANK YOU FOR ALL THE WORK AND TIME YOU PUT IN THIS BOOK. THANK YOU FOR STAYING UP TILL 3AM AND FREEZING YOUR BUTTS OFF IN THE OFFICE. THANK YOU FOR ALL THE PHOTOS, LAYOUTS, EDITING, AND MORAL SUPPORT. THANK YOU FOR ALL THE FUN TIMES WE HAD AND THANK YOU FOR BEING YOU! **RICH, LISA VICKY, ANALEE, JUSTIN, JODI, LIZ, JULIA MIKE** - WE LOVE YOU GUYS!

REMEMBER: STACY'S MOM HAS GOT IT GOING ON!

THE MEDIAS: MARCUS, SARAH L., KYLE, MATT, SARAH N., NICK - THANK YOU FOR ALWAYS BEING ON OUR SIDE AND FIGHTING THE SYSTEM!

BRENDAN MURPHY: THANKS FOR KEEPING US COMPANY DURING THE LONG PRE - DEADLINE NIGHTS AND CAUSING RUCKUS THAT KEPT US ON OUR TOES THIS ENTIRE TIME.

JOHN CASSIDY JR: THANK YOU FOR GETTING OUR PROBLEMS SOLVED IN RECORD TIME. ALL YOUR SUPPORT HELPED US TO GET THROUGH THIS YEAR.

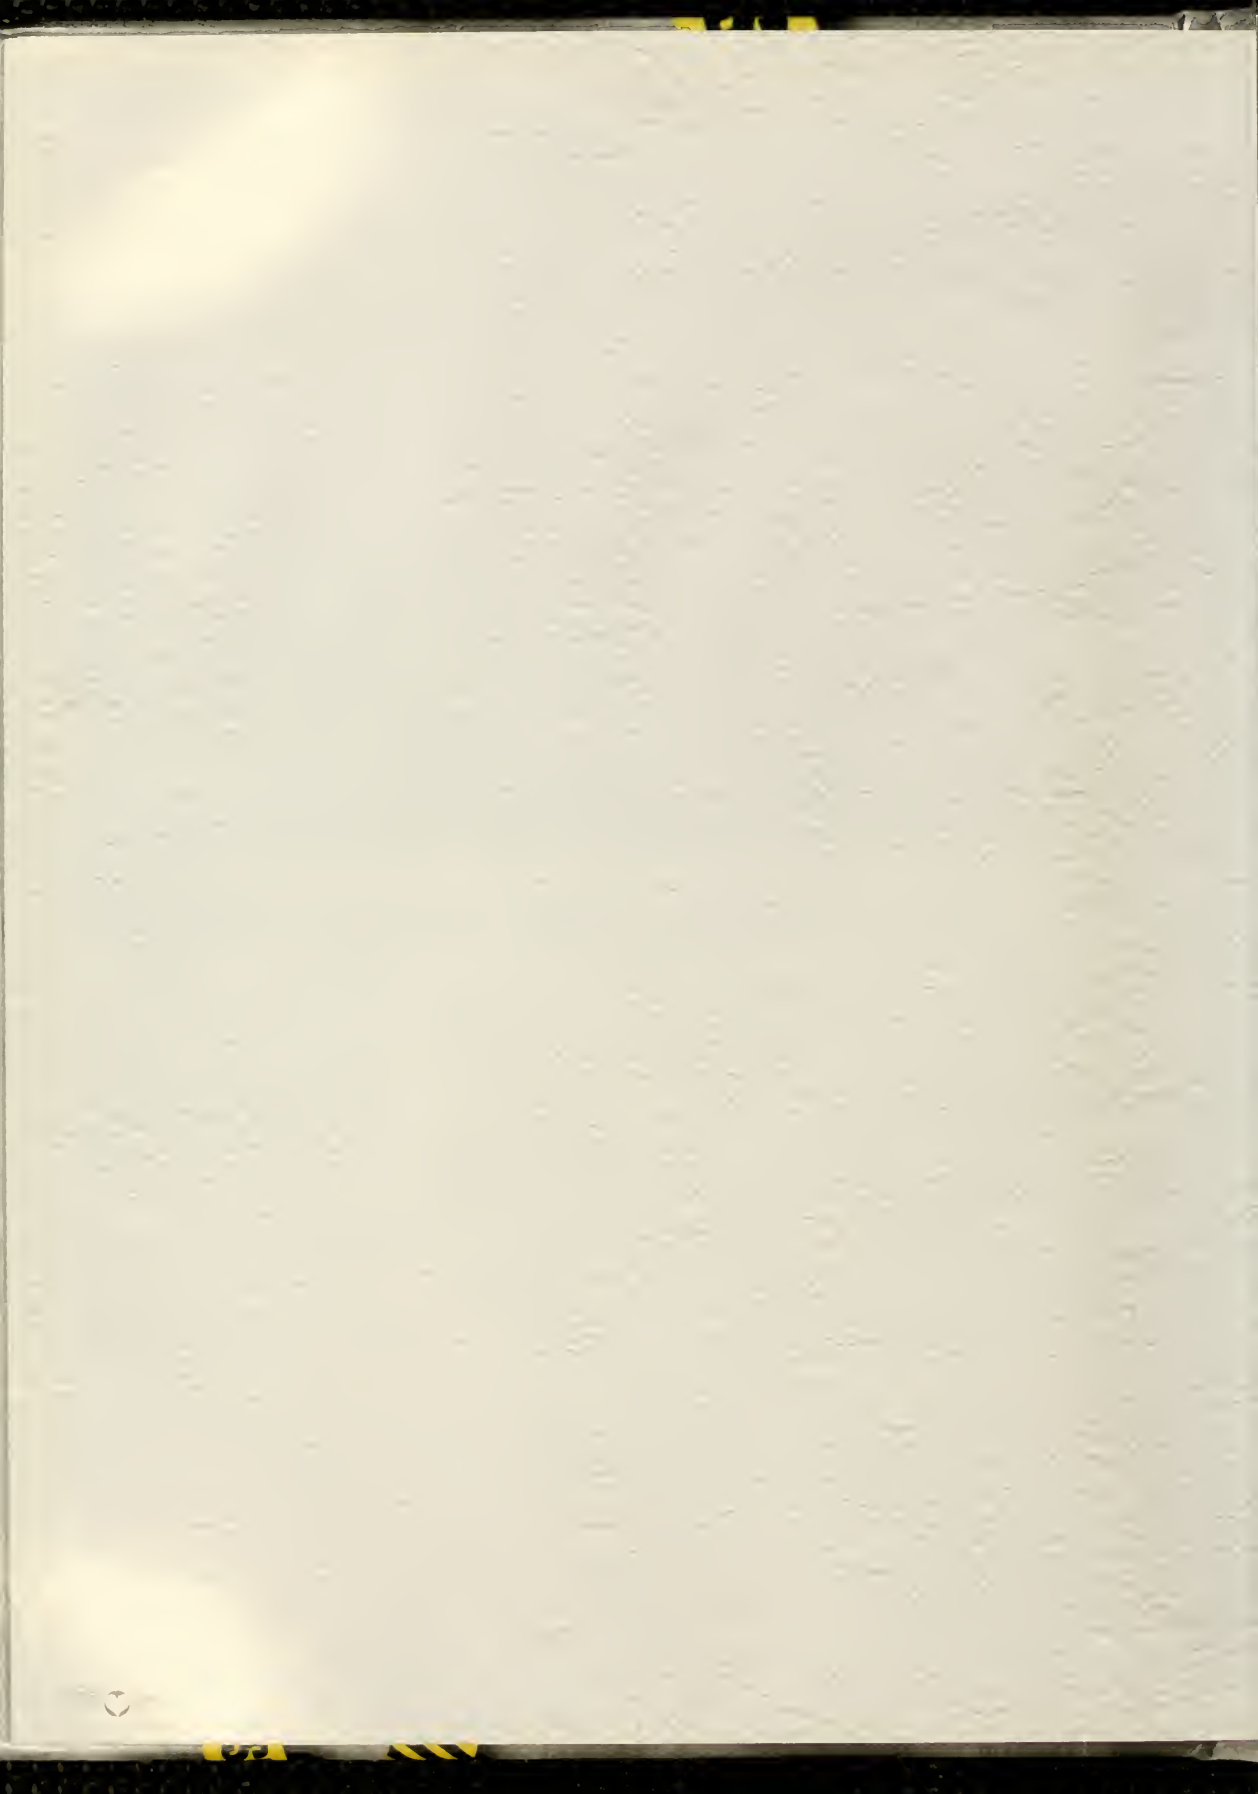

THE UNIVERSITY COMMUNITY: THANK YOU FOR ALL THE MATERIAL YOU HAVE GIVEN US TO WORK WITH.

WE'D LIKE TO CONGRATULATE THE CLASS OF 2004, AND WISH YOU TO ACHIEVE EVERYTHING YOU DREAM OF
